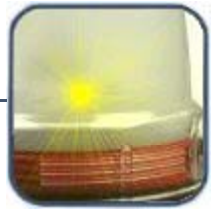
Download Battery Insertion Instructions

VERSATILE



- Three levels of brightness
- Runs about 500 hours on Amber LED nightlight setting

HANDY

- Stand or hang using integrated hanging ring or handle
- Includes removable keychain light

EASY TO LOCATE

- Lantern and keychain light switches glow in the dark

WEATHERPROOF

- O-ring sealed to protect interior components from damage due to rough weather

Durable and versatile, the WRLMF35E survives a 3-foot drop test and has a shatterproof lens. In addition, it is waterproof and floats. Three levels of brightness allow you to select the amount of light you need and the cushioned handle makes it comfortable to carry.

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light
